

## MANIFESTO

I, Vijay CP (130040109), propose to do the following if elected as class representative

- Be a **medium of communication** between the professors and the students.
- Will try to **upload all the class notes** in the Facebook group which helps people who miss class as class notes are very important in exams point of view.
- Deal with the **registration issues** and be in touch with faculty advisor to sort out these complaints.
- By interacting with the prof. in the beginning of the courses to know **how heavy the course will be** and posting their comments on Facebook group which may help students **to anticipate the course** and prepare from the beginning.
- Will **post the topics covered in each subject weekly once** in Facebook group which help people to get an idea of what is covered in class and it will potentially solve the problem of **syllabus dilemma** during the quiz or midsem.
- Will organize a **systematic crib sessions** as per student's preferred timings.
- Inform about the cancellation or rescheduling of classes to the student's at proper time .
- Will try to **upload the attendance sheet** especially in courses where Professors take manual attendance to make students know about their prevailing conditions.
- Will try to **reschedule the lectures and labs** as much as possible to maximize the holidays during Diwali and Holi.
- Will make a **pdf of the distribution of weightage in all courses** and upload it in the beginning of each sem which will be useful.
