

MANIFESTO

I **Mayur Mistry**, 130040004, if elected as **CEA (Civil Engineering Association) General Secretary** propose to do the following:

INITIATIVES:

- Will organize frequent work visits to increase interest in Civil Engineering among students.
- Will try to organize Department Cultural Night to increase the social interaction among the students.
- Will update the CEA website and try to create a Department YouTube channel wherein lectures, core talks, software installation guides will be uploaded for easy tracking of departmental activities and to increase awareness among students.

DUTIES:

- Organize Department freshmen orientation and ensure proper participation of freshmen and seniors.
- Organize Department trips for all students to intensify interaction between the students.
- Organize Intra-departmental sports activities for the improvement of interaction among the students.
- Organize Software Courses or workshops related to civil engineering in co-ordination with Department General Secretary.
- Organize Informal days with group photo-shoots and ensure that these events have proper publicity to have good participation.
- Will coordinate with Team AAKAAR and be an active member in giving suggestions to improve its organizing.
- Will make sure Department T-shirt is designed and made available in proper time.
- Will coordinate with PG council in order to increase participation of PG and PhD in the department activities.
- Will ensure a buddy talk session mainly for freshmen with their Faculty Advisors and senior professors for understanding future in civil engineering.
- Will coordinate with Department General Secretary and abide by the Department Constitution and conduct GBM for CEA council members.
- Will organize CEA seminars in a more planned manner and ensure that proper publicity is done before the seminars.
- Will publicize events and increase outreach in better way through CEA website, posters and social media.
- Will make sure that PG fresher's orientation is attended by CEA council members.

MISCELLANEOUS:

- Will publicize national and international events related to civil engineering and try to get participation on behalf of IITB.
- Will ensure that a google and FB group of the freshmen is made well in advance.
- Certificates for the winners of intra sports activities will be issued.
